

## Terms and Conditions for Use of Logo for Persons Certification

### INTRODUCTION

The present Rules for application of the conformity marks (hereinafter Rules) contain the requirements for the order of application and basic requirements for the form and dimension of the conformity marks of Persons certification, certified by Quality Middle East (QME).

Conformity mark – mark, protected in the established order granted and used in accordance with the rules of QME certification system, designed to inform the interested parties of the object of certification conformity to the requirements confirmed by QME during the certification

### General requirements

The organization undertakes to:

- fully comply with all rules and requirements to
- the conformity mark, use form, color and size of the conformity marks, defined in these Rules;
- exclude incorrect application of the conformity mark;
- in case of incorrect application of the conformity mark pay the expenses of QME related to realization of corrective actions.

### Authorization and Conditions of Use:

- Only certified persons who have successfully completed the certification process and are in good standing with the certification body are authorized to use the certification logo or mark.
- The logo or mark can only be used in connection with the specific certification scope for which the individual has been certified.

### Guidelines for Usage:

- The logo must be used in a manner that accurately represents the certified status of the person, without implying any other certifications or endorsements that have not been granted.

	Rev.: 0	Rev. date:	Page 1 of 2

- The logo shall be used on business cards, resumes, personal websites, and other professional materials, but not in a way that could mislead others about the scope of certification.

**Restrictions:**

- The logo must not be used in any way that could bring the certification body into disrepute or cause confusion about the status or scope of the certification.
- The certified person must not alter the logo in any way, including changing its color, proportions, or design elements.

**Discontinuation of Use:**

- The certified person must immediately cease using the certification logo upon suspension, withdrawal, or termination of their certification.
- All materials displaying the certification logo must be updated or destroyed to reflect the change in certification status.

**Monitoring and Compliance:**

- The certification body reserves the right to monitor the use of its logo and take corrective actions, including legal measures, in the event of misuse.
- Any misuse of the logo may result in disciplinary actions, including suspension or withdrawal of the certification.

**Acknowledgment:**

- The certified person must sign an agreement acknowledging their understanding of these guidelines and agreeing to comply with them as a condition of their certification.
